

## Výzva z Blois

### Text Výzvy:

Od roku 2005 bojuje združenie *Sloboda pre históriu* proti snahám zákonodarnej moci začleňovať minulosť do sféry trestného práva, keďže tým stavia slobodnému historickému bádaniu do cesty čoraz väčšie prekážky. Rámcovým rozhodnutím Rady európskych ministrov z apríla 2007 nadobudol tento spočiatku rýdzo francúzsky problém medzinárodný rozmer. Pod heslom nesporne nevyhnutného a správneho boja proti prejavom rasizmu a antisemitizmu toto rozhodnutie zavádza na území celej Európskej únie skutkovú podstatu nových trestných činov, a tak môže historikom nasadiť okovy zákazov, ktoré sú v rozpore s ich poslaním.

V nadväznosti na Stretnutia historikov v Blois, venované v roku 2008 téme Európania, vyzýva *Sloboda pre históriu* na podporu tejto výzvy:

Sme znepokojení hrozbou spätnej moralizácie histórie a intelektuálnej cenzúry, a preto žiadame európskych historikov o mobilizáciu a politikov o rozvahu.

História nesmie poslúchať politickej orientácii súčasnej vládnej garnitúry, ani sa nesmie písať na objednávku oponujúcich si historických pamätí. V slobodnom štáte neprislúcha orgánom politickej moci stanovovať, čo je historická pravda a pod hrozbou trestnoprávnej zodpovednosti okliešťovať slobodu historika.

Od historikov v jednotlivých krajinách požadujeme, aby zomkli sily a zakladali združenia podobné nášmu a aby čo najskôr a individuálne podpísali túto výzvu. Len tak je totiž možné zvrátiť nesprávny smer, akým sa uberajú zákony o pamäti.

Od zodpovedných politických predstaviteľov požadujeme, aby si uvedomili, že pokiaľ im prislúcha starostlivosť o kolektívnu historickú pamäť, nesmú zákonmi a vo vzťahu k minulosti prijímať štátne pravdy, ktorých začlenenie do právneho systému môže vážne obmedzovať nielen historikovu prácu, ale tiež intelektuálnu slobodu vo všeobecnosti.

V demokracii je sloboda pre históriu slobodou všetkých.

**Pierre NORA, predseda *Slobody pre históriu* \***
